1. Purpose of this Appendix

This appendix defines the non-negotiable standards, terminology, and guiding principles of Naari Led Vyapaar. Its purpose is to ensure that every future campaign, volunteer, sponsor, partner, designer, content creator, community manager, and marketing team member understands exactly what Naari Led Vyapaar stands for.

Regardless of how the campaign evolves, the philosophy outlined in this appendix should remain unchanged.

2. Official Tagline & One-Line Description

Official Tagline

Celebrating the Courage Behind Every Woman-Led Business.

Alternative Internal Tagline

Discover. Connect. Rise.

Official One-Line Description

Naari Led Vyapaar is a flagship initiative by The Legit Talks that discovers, celebrates, and empowers women-led businesses through storytelling, visibility, and community.

3. Official Elevator Pitch

Naari Led Vyapaar is more than a campaign.

It is a movement that gives women entrepreneurs a platform to share their stories, gain meaningful visibility, build authentic relationships, and become part of a long-term ecosystem that believes every business deserves recognition—not because of its size, but because of the courage it took to build it.

4. Official Definition of Success

Success is NOT:

- Going viral.
- Getting millions of views.
- Becoming trending content.

Success IS:

- ◆ One founder gaining confidence.
- ◆ One business receiving recognition.
- ◆ One collaboration being formed.
- ◆ One woman feeling seen.
- ◆ One audience member choosing to support a women-led business.

When these moments multiply, impact becomes inevitable.

5. Official Brand Statement

Naari Led Vyapaar exists to create visibility before validation.

We believe founders should not have to become famous before their stories matter.

- ◆ Every entrepreneur deserves to be seen.
- ◆ Every entrepreneur deserves to be heard.
- ◆ Every entrepreneur deserves dignity.

6. Official Manifesto

We celebrate beginnings.

We celebrate failures.

We celebrate courage.

We celebrate women who build after rejection.

Women who build after motherhood.

Women who build after loss.

Women who build after doubt.

Women who build quietly while the world watches louder stories.

We believe every order represents hope.

Every customer represents trust.

Every business represents sacrifice.

Naari Led Vyapaar exists because these stories deserve more than algorithms. They deserve people.

7. What Naari Led Vyapaar Is & Is Not

Naari Led Vyapaar IS	Naari Led Vyapaar Is NOT
A storytelling initiative.	A giveaway campaign.
A founder discovery platform.	A follower exchange programme.
A visibility movement.	A paid promotion page.
A women entrepreneurship ecosystem.	A business directory.
A collaborative community.	A sales marketplace.
A long-term social initiative.	An influencer campaign.
A flagship intellectual property of The Legit Talks.	A competition against other founders.

Its purpose is impact before promotion.

8. The Hero of Every Story

The founder. Not TLT. Not the campaign. Not the marketing team.

Every piece of communication should position the founder as the hero.

TLT exists to hold the microphone.

9. The Role of The Legit Talks

TLT is:

A listener.	A storyteller.	A bridge.
A catalyst.	A community builder.	An amplifier.

TLT should never seek to become bigger than the stories it tells.

10. Official Campaign & Community Promise

Official Campaign Promise

Every founder who joins Naari Led Vyapaar will be treated with dignity, respect, and authenticity.

Regardless of follower count, revenue, language, or geography, every participant deserves an equal opportunity to share their journey.

Official Community Promise

We are building a community before we build a brand.

11. The Founder We Celebrate

We celebrate:

- ◆ The woman selling handmade products from home.
- ◆ The freelancer working late nights.
- ◆ The artisan preserving traditional crafts.
- ◆ The consultant building independently.
- ◆ The creator turning passion into profession.
- ◆ The mother restarting her career.
- ◆ The student launching her first venture.
- ◆ The founder who failed and started again.

Success is not a requirement. Courage is.

12. Official Community Culture

Our culture is built on:

Respect over competition.	Support over comparison.	Growth over perfection.	Learning over ego.
Collaboration over isolation.	Authenticity over appearance.		

13. Community Rules

Every founder is encouraged to:

- ◆ Introduce herself.
- ◆ Share achievements.
- ◆ Seek advice.
- ◆ Offer help.
- ◆ Collaborate.
- ◆ Promote her work respectfully.
- ◆ Celebrate fellow founders.
- ◆ Recommend opportunities.

The community should remain generous, constructive, and founder-first.

Disrespect, discrimination, harassment, plagiarism, or intentional misinformation will never be tolerated.

14. Visual Identity & Photography Principles

Visual Identity Principles

Every campaign asset should communicate warmth, authenticity, and optimism.

Visuals should prioritise:

Prioritise	Over
Faces	Products
Stories	Statistics
People	Branding
Emotion	Perfection
Natural imagery	Stock imagery wherever possible

The campaign should always feel human.

Photography Principles

- Use genuine founder photographs whenever available.
- Show founders in their natural environment.
- Highlight the process, not just the final product.
- Celebrate imperfections that reflect authenticity.

15. Video Principles

Every video should answer:

- ◆ Who is she?
- ◆ Why did she start?
- ◆ What challenge has she faced?
- ◆ What dream keeps her going?
- ◆ How can the audience support her?

16. Writing Style Guide

Write like a trusted friend with professional clarity.

Avoid:

- Corporate jargon.
- Exaggerated claims.
- Clickbait.

Write with:

- ◆ Warmth.
- ◆ Dignity.
- ◆ Optimism.
- ◆ Honesty.

17. Words We Prefer & Words We Avoid

Words We Prefer

Founder	Journey	Build	Dream
Purpose	Community	Impact	Support
Visibility	Growth	Together	Opportunity
Courage			

Words We Avoid

Victim	Poor woman	Struggling female	Sympathy
Pity	Desperate	Weak	

These founders deserve empowerment, not pity.

18. Campaign Hashtag Philosophy

Every hashtag should reinforce belonging rather than promotion.

Examples include:

#NaariLedVyapaar

#DiscoverConnectRise

#SupportWomenWhoBuild

#BuiltByHer

#StoriesThatBuild

19. Sponsorship Principles

Sponsors should strengthen the campaign's mission rather than dilute it.

Every partnership should answer:

Does this genuinely create value for women entrepreneurs?

If not, the partnership should be reconsidered.

20. Decision Filter

Before launching any initiative, ask:

- ◆ Does it empower founders?
- ◆ Does it align with TLT's values?
- ◆ Does it create trust?
- ◆ Does it encourage authentic storytelling?
- ◆ Does it strengthen the community?

If the answer is no, it should not become part of Naari Led Vyapaar.

21. Five-Year Legacy Statement

Our ambition is not to create India's biggest campaign.

Our ambition is to create India's most trusted community for women entrepreneurs.

- ◆ A place where today's participant becomes tomorrow's mentor.
- ◆ Where today's small business becomes tomorrow's inspiration.
- ◆ Where every woman who joins leaves believing her story matters.

22. Founder Oath (Optional Ceremony)

*"I build with courage.
I grow with integrity.
I celebrate fellow founders.
I believe collaboration creates greater impact than competition.
I will continue building, learning, and uplifting others.
Because when one woman rises, many more believe they can."*

23. Closing Manifesto

Naari Led Vyapaar is built on a simple belief: A business is never just a business.

It is someone's sleepless nights.

Someone's first risk.

Someone's second chance.

Someone's family's hope.

Someone's identity.

Someone's courage.

If Naari Led Vyapaar disappeared tomorrow, the world would lose a platform where women are valued not for the size of their business but for the courage it took to build one.

It would lose a community that believes every woman-led venture deserves visibility, respect, and the opportunity to inspire someone else.

And that is why this initiative exists.

Not to create content.

Not to create campaigns.

But to create a future where every woman who chooses to build knows she does not build alone.

Discover. Connect. Rise.
