1. Purpose of this Document

This manual serves as the operational guide for every team member responsible for managing the Naari Led Vyapaar community.

Its purpose is to ensure consistency, professionalism, and a founder-first experience across every interaction, event, and initiative.

Regardless of team changes, this document should preserve the culture and quality of the movement.

2. Community Philosophy

Naari Led Vyapaar is not a WhatsApp group.

It is not a networking club.

It is not a promotional directory.

It is a living ecosystem built on trust, collaboration, storytelling, and shared growth.

Every operational decision should strengthen these four pillars.

3. Community Objectives

The community exists to:

- ◆ Build meaningful founder relationships.
- ◆ Encourage collaboration over competition.
- ◆ Create opportunities through visibility.
- ◆ Facilitate learning and knowledge exchange.
- ◆ Support women entrepreneurs emotionally and professionally.
- ◆ Create a trusted ecosystem that grows year after year.

4. Team Structure

Campaign Lead	• Overall strategy, approvals, partnerships, and execution oversight.
Community Manager	• Founder onboarding • Daily engagement • Member support • WhatsApp moderation • Community announcements • Conflict resolution • Founder retention
Social Media Manager	• Founder spotlights • Campaign content • Story publishing • Community highlights • Engagement tracking
Host	• Live sessions • Founder interviews • Event moderation • Community interactions • Speaker coordination
Designer & Video Editor	• Creative assets • Event branding • Founder creatives • Recap videos • Promotional content

5. Founder Onboarding Flow

Every new founder should experience the same onboarding journey.

Step 1 — Founder submits the application form.

Step 2 — Application is reviewed by the internal team.

Step 3 — Founder receives a welcome message.

Step 4 — Founder joins the official community.

Step 5 — Founder receives: Founder Handbook, Founder Charter, Community guidelines, Introduction format.

Step 6 — Founder posts an introduction using the official template.

Step 7 — Community Manager personally welcomes the founder and encourages other members to engage.

18. Golden Rule

Every founder should leave an interaction feeling more encouraged than when she entered it.

If an activity creates visibility but not belonging, rethink it.

If an activity creates belonging, visibility will naturally follow.

19. Our Operating Principle

Communities are not built through content.

They are built through conversations.

Every message, event, introduction, and collaboration should move one founder closer to feeling seen, supported, and empowered.

That is the true measure of success.
