Welcome

Welcome to the team behind Naari Led Vyapaar.

You are not simply managing a marketing campaign.

You are helping create opportunities for women entrepreneurs to be seen, heard, and celebrated.

Every interaction you have with a founder reflects the values of The Legit Talks.

Every decision you make contributes to the trust this movement earns.

This handbook exists to ensure that every member of the team works with the same purpose, standards, and commitment.

1. Our Mission

Our mission is to build India's most trusted platform for discovering and celebrating women-led businesses through authentic storytelling, visibility, and community.

Every task—whether replying to a message or designing a graphic—supports this mission.

2. Our Working Philosophy

We believe:

<i>People before processes.</i>
<i>Trust before growth.</i>
<i>Community before competition.</i>
<i>Consistency before intensity.</i>
<i>Long-term impact before short-term virality.</i>

<i>Operational excellence is how we honour every founder's trust.</i>

3. Team Values

Every team member should demonstrate:

Ownership

Treat every responsibility as if the movement depends on it.

Empathy

Every founder is trusting us with a personal story. Respond with patience and respect.

Accountability

Mistakes happen. Hiding mistakes damages trust. Own them early and solve them together.

Collaboration

No department succeeds alone. Marketing, design, community, content, and operations work as one team.

Learning

Every edition of Naari Led Vyapaar should improve upon the last. Document lessons. Share knowledge. Stay curious.

4. Organizational Structure

Campaign Lead	Provides strategic direction and final approvals.
Operations Coordinator	Ensures timelines, trackers, and execution remain on schedule.
Community Manager	Owens founder relationships and community engagement.
Social Media Manager	Owens publishing, platform interactions, and audience engagement.
Designer	Maintains visual consistency and creative assets.
Video Editor	Produces compelling founder-focused storytelling.
Ads Manager	Optimizes paid campaigns and acquisition costs.
Volunteers & Interns	Support execution while upholding all campaign values and standards.

5. Team Roles

Every role has two responsibilities:

Functional Responsibility

The work you are assigned.

Cultural Responsibility

The trust and experience you create for founders and fellow team members.

No role is “behind the scenes.” Every role shapes the movement.

6. Communication Standards

Internal Communication

Be:

- ◆ Clear.
 - ◆ Concise.
 - ◆ Respectful.
 - ◆ Action-oriented.
-
- Avoid assumptions.
 - Always confirm deadlines and ownership.

Founder Communication

Every message should:

- ◆ Acknowledge the founder.
- ◆ Answer the question directly.
- ◆ Provide next steps.
- ◆ Close warmly.

The tone should always feel human.

7. Decision-Making Framework

Before making a decision, ask:

1. Does this strengthen founder trust?
2. Does this align with TLT's values?
3. Does this improve the founder experience?
4. Does this support long-term community building?
5. Would we proudly explain this decision publicly?

If the answer to any question is “No,” reconsider.

8. Meeting Structure

Daily Stand-Up (15–20 Minutes)

Agenda:

- ◆ Yesterday's wins
- ◆ Current blockers

Post-Campaign Review

Discuss:

- What exceeded expectations?
- What failed?
- What should be repeated?
- What should stop?
- What new ideas emerged?

Every edition should leave behind institutional knowledge.
