1. Discover. Connect. Rise.

Naari Led Vyapaar is a flagship initiative by The Legit Talks, created to discover, celebrate, and support women-led businesses through storytelling, visibility, collaboration, and community.

It is more than a campaign.

It is a long-term movement to ensure that no woman has to build her business alone.

2. About The Legit Talks

The Legit Talks (TLT) is a storytelling and community platform dedicated to amplifying real human stories that inspire action and create change.

Our purpose is to:

- ◆ Tell authentic stories.
- ◆ Build meaningful communities.
- ◆ Empower entrepreneurs.
- ◆ Celebrate changemakers.
- ◆ Educate and inspire.
- ◆ Give a voice to the 80% of society whose stories often go unheard.

We believe extraordinary impact often comes from ordinary people who choose courage.

3. About Naari Led Vyapaar

Naari Led Vyapaar exists because countless women build extraordinary businesses with limited visibility and support.

Behind every woman-led venture is a story of courage, resilience, sacrifice, and determination.

This movement exists to ensure those stories are seen and those founders are supported.

Our goal is not simply to feature businesses.

Our goal is to build India's most trusted ecosystem for women entrepreneurs.

4. Why This Movement Matters

Women entrepreneurs contribute significantly to economic and social development, yet many continue to face barriers such as:

- Limited visibility
- Restricted access to networks
- Lack of mentorship
- Limited marketing resources
- Fewer collaboration opportunities
- Geographic isolation
- Confidence gaps created by systemic challenges

Naari Led Vyapaar addresses these gaps by creating an accessible platform where women can connect, learn, collaborate, and grow.

5. Our Vision

To build India's most trusted ecosystem where women entrepreneurs discover opportunities, build meaningful relationships, and rise together.

6. Our Mission

- ◆ Discover women-led businesses.
- ◆ Connect founders through community.
- ◆ Celebrate authentic stories.
- ◆ Create opportunities through collaboration.
- ◆ Support long-term entrepreneurial growth.

7. Our Philosophy

Stories create trust.

Trust creates relationships.

Relationships create opportunities.

Opportunities create transformation.

Transformation creates legacy.

8. Our North Star

If Naari Led Vyapaar disappeared tomorrow, the world would lose a platform where women are valued not for the size of their business, but for the courage it took to build one.

It would lose a community that believes every woman-led venture deserves visibility, respect, and the opportunity to inspire someone else.
