Preamble

We, the founders, contributors, partners, volunteers, and members of Naari Led Vyapaar, establish this Constitution to preserve the purpose, values, and spirit of this movement.

We recognise that behind every woman-led business is a story of courage.

A story of sacrifice.

A story of resilience.

A story that deserves to be heard.

We believe that no woman should have to build her dream in isolation.

Therefore, we commit ourselves to creating a movement where women entrepreneurs discover opportunities, connect with one another, and rise together through collaboration, visibility, and community.

This Constitution exists to ensure that, regardless of how large this movement becomes, it never loses its humanity.

Article 1
Our
Identity

Naari Led Vyapaar is a flagship initiative of The Legit Talks.

It is a storytelling-driven entrepreneurial movement dedicated to discovering, celebrating, connecting, and supporting women-led businesses.

It is not merely a campaign.

It is not merely a community.

It is a long-term ecosystem built to create lasting social and entrepreneurial impact.

Article 2

**Our
Purpose**

The purpose of Naari Led Vyapaar is to ensure that women entrepreneurs receive the visibility, encouragement, relationships, and opportunities they deserve.

We exist to remind every woman who chooses to build that her journey matters.

Article 3
Our Vision

To become the most trusted and inclusive ecosystem for women entrepreneurs, where courage is celebrated, stories inspire action, and collaboration creates lasting transformation.

Article 4

Our Mission

We commit ourselves to:

- ◆ Discovering women-led businesses.
- ◆ Celebrating authentic entrepreneurial journeys.
- ◆ Connecting founders through meaningful relationships.
- ◆ Creating opportunities through collaboration.
- ◆ Building a culture where women rise together.

Every initiative undertaken by Naari Led Vyapaar should strengthen at least one of these commitments.

Article 5
Our Motto

Discover. Connect. Rise.

These three words define every programme, partnership, event, and decision made within this movement.

If an initiative does not help women discover opportunities, connect meaningfully, or rise collectively, it should be reconsidered.

Article 6

**Our
Beliefs**

We believe courage deserves recognition.

We believe every founder has a story worth telling.

We believe collaboration is stronger than competition.

We believe communities create opportunities.

We believe visibility creates confidence.

We believe confidence creates action.

We believe action creates transformation.

We believe transformation creates legacy.

Article 7

Movement
Serves

Naari Led Vyapaar welcomes women entrepreneurs from every background.

- ◆ Homepreneurs
- ◆ Small business owners
- ◆ Freelancers
- ◆ Consultants
- ◆ Artists and creators
- ◆ Service providers

No founder shall be judged by revenue, follower count, educational background, language, geography, or social status.

The courage to build is the only qualification that truly matters.

Article 8
Our
Values

Every member of this movement shall uphold the following values:

Courage *Choosing to begin despite uncertainty.*

Integrity *Building honestly and ethically.*

Respect *Valuing every founder equally.*

Collaboration *Growing through shared success.*

Generosity *Giving knowledge, encouragement, and opportunities.*

Authenticity *Celebrating real stories over perfect narratives.*

Inclusion *Ensuring every woman feels welcome and represented.*

Article 9
What We
Will Never
Become

Naari Led Vyapaar shall never become:

A popularity contest.

A pay-to-win platform.

An exclusive club.

A follower-count competition.

A space driven only by commercial interests.

A community where founders are valued based on business size.

Our identity shall always remain rooted in courage, contribution, and community.

Article 10
Our
Definition
of Success

Success shall not be measured only through numbers.

Success shall also be measured through:

Stories shared	Relationships built
Collaborations created	Confidence restored
Opportunities generated	Women encouraged to begin
Communities strengthened	

The true impact of this movement lies in lives transformed.

Article 11
The
Responsibility
of Members

Every member is encouraged to:

- ◆ Support fellow founders.
- ◆ Celebrate others' success.
- ◆ Share knowledge generously.
- ◆ Build meaningful relationships.
- ◆ Welcome newcomers.
- ◆ Contribute before consuming.
- ◆ Represent the movement with integrity.

The strength of the community depends on the actions of its members.

Article 12
The
Responsibility
of The Legit
Talks

The Legit Talks commits to:

- ◆ Protecting the integrity of the movement.
- ◆ Creating fair opportunities.
- ◆ Maintaining transparency.
- ◆ Listening to community feedback.

Article 13
The Naari
Trailblazer

The title of Naari Trailblazer is reserved for founders who strengthen the movement through generosity, leadership, and contribution.

It is earned through action, not influence.

A Trailblazer inspires others to rise.

Article 14
The
Future We
Envision

We envision a future where Naari Led Vyapaar grows beyond a campaign into:

- ◆ A national founder community.
- ◆ An annual festival of women entrepreneurs.
- ◆ A fellowship programme.
- ◆ A mentorship network.
- ◆ A collaboration ecosystem.
- ◆ A storytelling archive.
- ◆ A platform where experienced founders empower the next generation.

Our ambition is not simply to build businesses.

Our ambition is to build a legacy.

Article 15
Our
Promise to
Future
Generations

Every woman who joins this movement should feel more confident than she did before joining.

Every founder should leave with stronger relationships, greater visibility, and renewed belief in her own journey.

Every contribution should make the path easier for the woman who comes next.

That is how movements endure.

Our Manifesto

We believe ordinary women create extraordinary change.

We believe every business carries a human story.

We believe stories inspire courage.

We believe courage inspires action.

We believe action creates opportunity.

We believe opportunity transforms lives.

We believe communities multiply impact.

***And we believe that when women rise together, they change families, industries,
and nations.***

The Founding Declaration

If Naari Led Vyapaar disappeared tomorrow, the world would lose a platform where women are valued not for the size of their business, but for the courage it took to build one.

It would lose a community that believes every woman-led venture deserves visibility, respect, and the opportunity to inspire someone else.

As long as this movement exists, we commit ourselves to ensuring that no woman builds alone.

Closing Words

Naari Led Vyapaar is not owned by one founder, one team, or one generation.

It belongs to every woman who dares to dream, build, fail, learn, rebuild, and continue.

May this Constitution protect the spirit of the movement.

May it guide every decision.

May it preserve every value.

And may it remind future generations why this journey began.
